Welcome

Welcome to **Marigold Montessori**, a place where little minds blossom, curiosity is celebrated, and every child begins their learning journey with joy. Our warm, nurturing environment helps each child explore, grow, and shine in their own wonderful way.

OUR PHILOSOPHY

DEDICATED TO
EXCELLENCE IN
EARLY CHILDHOOD
EDUCATION.

Our philosophy is rooted in inclusivity, creativity, and gentle guidance, inspiring children to explore, imagine, and develop a genuine love for learning that lasts a lifetime.

Why Choose a Montessori Education?

The Real Difference

The earliest years of a child's life shape who they become. Beyond early academics, this period is where children develop their ability to focus, persevere, solve problems, and build meaningful relationships. With the right support, children grow into self-motivated learners who think creatively, act with empathy, and move through life with confidence and purpose.

At Marigold Montessori, we embrace these formative years as a precious opportunity to help children develop strong foundations, not just for school, but for life.

Traditional Education VS. Montessori

In traditional settings, adults decide what children should learn, and success is often measured by memorisation and repetition.

The teacher leads; the children follow.

Montessori turns this model on its head.

In a Montessori environment, the child becomes the active explorer. Our educators carefully prepare the environment, observe attentively, and gently guide each child toward experiences that meet their developmental needs. Learning becomes personal, meaningful, and joyful, allowing every child to progress at their own natural pace and reach their potential.

What Makes the Montessori Approach Unique?

The Montessori experience is built around three core principles that help children thrive:

Principle 1

A space designed for success

Every area of the classroom is intentionally arranged to invite exploration, independence, and purposeful learning. Children are free to move, choose, and discover in an environment made just for them.

Principle 2

A guide who truly sees the child

Instead of directing every step, Montessori educators observe, support, and gently encourage. They recognise each child's strengths and needs, offering guidance that empowers rather than instructs.

Principle 3

Learning that follows the child

Children are given the time and freedom to grow at their own pace, choosing activities that match their curiosity and readiness. This personalised rhythm helps them build confidence, focus, and a genuine love of learning.

Learning Environment

Facilities and Classrooms

At Marigold Montessori, our spaces are designed to inspire curiosity and joyful exploration. Our children benefit from a beautifully cultivated vegetable garden and an expansive 2,000 sq ft outdoor play environment. These thoughtfully designed spaces provide daily opportunities for exploration, discovery, and connection with the outdoors

Inside, our sensory room, music studio, and soft-play areas offer a rich variety of experiences that support creativity, movement, and calm exploration. Every space is carefully crafted to help children feel safe, engaged, and excited to learn.

Where little minds blossom

Nutrition & Wellbeing

We serve a freshly prepared 4 - Course Lunch every single day

At Marigold Montessori, each lunch typically includes:

- A wholesome starter
- A nourishing main course
- A selection of vegetables or salads
- A light, nutritious dessert

We take great care to accommodate dietary requirements, allergies, and cultural preferences, ensuring every child is included and supported at mealtimes.

Admissions

ADMISSION PROCESS

We would be delighted to personally welcome you to Marigold Montessori. To arrange a private tour, please contact our admissions team at your convenience.

We highly encourage families to visit in person, as the true essence of Marigold Montessori is best experienced firsthand, the calm rhythm of the classrooms, the warmth of our educators, and the refined environment crafted for young learners.

We look forward to introducing you to the exceptional setting that makes Marigold Montessori a distinguished place to begin your child's educational journey.

SESSIONS

Morning Sessions
8am - 1pm

Extended Sessions
8am - 3pm

Full Day Sessions
8am - 6pm

Minimum Funding Entitlement:

We offer the 15 hours and 30 hours Minimum Funding Entitlement to all 3 & 4 year olds at the nursery. Children qualify the term after they turn 3.
