

## Marigold Montessori

We are open 48 weeks per annum from 8am – 6pm  
 Fee Sheet for 10 – 24 Months Children

### A simple, even-monthly bill

We like to keep things simple and predictable for families.

Your monthly fee stays the same throughout the year, based on 48 weeks of attendance and spread evenly over 12 months. This means no surprise increases during busier months and no extra charges during the holidays. The amount in your offer letter is exactly what you'll pay each month.

### MARIGOLD FEE INFORMATION:

- Fees are based on 48 weeks per year, divided into equal monthly payments and charged in advance.
- A refundable deposit of £500 is required to secure your child's place. The deposit will be returned after your child's final month, provided all fees have been settled and the required notice received.
- The government funding contributes towards basic statutory childcare and does not include meals or additional services. The government funding is only for 38 weeks a year (term time), not all year round. Marigold Montessori stretches this funding entitlement over 48 weeks.
- Marigold adds the cost of delivering the many additional services provided for our privately funded sessions. This includes chef prepared healthy meals, a strong focus on wellbeing and outdoor experiences, curated enrichment, real-time learning updates on our digital app delivered by Montessori educators, parent and children workshops, parent engagement, tailored individual support for school applications & other additional services.
- A supplementary charge of £2 per funded hour contributes towards meals, snacks, and enhanced care provision.
